About Us

Working under the mentorship of Mr. Apurva Panchal, we at Aarya Engineering have gained an impressive growth-rate in the Indian industry. With his knowledge, experience and guidance, we are continuously proving our worth in the competitive field by providing solutions for material handling and a host of other industrial products. As a manufacturer and service provider, we bring forth state-of-the-art equipment that have applications in sectors associated with Cement, Power, Fertilization, Steel & Rayon Plants, Refinery and more. We also provide cutting-edge Repairing Services for the offered products & their parts. Our product portfolio covers Goliath Crane, Electric Rope Hoist, Crab Assembly, Industrial Girder EOT Crane, Electric Wire Rope Hoist, Under Slung Crane, Flame Proof Electric Wire Rope Hoist, and various other items.

The secret to our fast growth is the quality that we put forward to our respectful customers through our offered items. The aforementioned range is highly appreciated by the professionals for its high tensile strength, dimensional accuracy, sturdy construction and ease of installation at the workplace. These supreme quality features as well as their reasonable price range makes these items a perfect choice for the customers. By providing advantageous deals to the customers in the form of our qualitative products & services, we look forward to a progressive future of our company.

Key Facts
